

Matrix to Spotlight its range of VoIP Gateways and Office-in-a-Box Solution at ITEXPO 2014, Las Vegas

Matrix Comsec, a leading manufacturer and provider of IP based Phone Systems and Voice Gateways, is participating in ITEXPO 2014. Here, Matrix will showcase its latest range of VoIP gateways offering GSM-FXO-FXS-T1 PRI connectivity options. As VoIP continues to grow at a compounding rate globally and with high penetration of Hosted VoIP, Unified communications and SIP Trunking, the need for intelligent voice gateways is inevitable.

Award-winning series of Matrix Gateways are perfect for enterprise and carrier-class solutions. Starting from a single port VoIP adaptor to Carrier-grade VoIP-GSM-PRI-FXO/FXS gateways, Matrix has one stop solution for every business needs. Pre-loaded with superior voice quality and state-of-the-art routing features, Matrix Gateways are ideal for multi-site connectivity, disaster recovery, remote survivability, SIP Trunking and 3G Internet access.

Matrix will also showcase its revolutionary converged voice & data office solution – NAVAN CNX200. It is ideal for any small office, start-up business or a branch office and offers all voice, data, internet, wireless, mobility and messaging from a single box. It delivers IP telephony, high-speed internet, wired and wireless data access, Android/iOS mobility and virtual private networking from a compact and converged platform.

Strengthening its range in business IP-PBXs, Matrix will launch its Enterprise platform – ETERNITY LE. It is a hybrid IP-TDM PBX system offering up to 1344 TDM and 1000 IP users from a single chassis. ETERNITY LE offers advanced telephony features such as IP telephony, unified messaging, 45 participants conference, CTI, smartphone mobility and lot more.

ITEXPO is an ideal destination to find the industry in 4 walls, bringing IT professionals, system integrators and business prospects under one roof. We are looking forward to meet key service providers and system integrators to explain our business solution.” Said Shaun Trivedi, Business Manager.
