SATATYA MITR20FL36CWS
2MP IR Turret Camera with 3.6mm Lens

Matrix introduces its new range of Turret series that are designed for modern enterprises. Turret Series cameras are a blend of aesthetics in a succinct design with superior video performance. Powered with Sony STARVIS sensor, they deliver crisp images in low-light conditions. With minimum glass exposure, issues like dust and fingerprints are eliminated. Likewise, these enterprise grade devices do not let you compromise on your resources due to the H.265 compression technique. Furthermore, the camera offers in-built video analytics like motion detection, intrusion detection, tamper detection, tripwire detection to aid you in proactively handling potential risks. Finally, backed by national and international certifications these devices guarantee maximum operating time without failure.
