How to attach/detach the Foot Stand

EON48/SPARSH VP248

You can attach or detach the Foot Stand of EON48/SPARSH VP248 on the bottom of the phone, as illustrated in Figure A.

You can place the phone on a desk at two different angles by attaching the Foot Stand as shown in Figure B (50 degrees), and Figure C (30 degrees).

If you attach the Foot Stand as illustrated in Figure C, the phone will be placed in an almost upright position on your desk.

Decide which of these positions work for you best and accordingly attach the Foot Stand.
